04 Proportion & exclusion zone

phi = 1.618034 | R = 112 | r = R / phi = 69.22 | vault offset = +11 units

1x = cap height of CAPITAL (24.5 design units).

Keep at least 1x clear on all four sides of visible artwork.

Do not stretch, rotate or alter the letter spacing.

Ring ratio is mathematical; letter spacing is optical.

Use the simplified micro mark at 16 px and 32 px.

Use full-detail icon at 64 px and above.
